

Deadlines for Registrations and Updates for FCA Temporary Permissions Regime

The notification window for new registrations under the FCAs Temporary Permission Regime (TPR) closes on **30th January 2020**.

Any fund managers that, as a result of this extension, wish to update their notification (to include additional sub-funds or AIFs) should email recognisedcis@fca.org.uk by the end of **15th January 2020** at the latest confirming this and including their FRN.

Further information on the TPR and how to register is provided on the FCA website <https://www.fca.org.uk/brexit/temporary-permissions-regime>.

While the FCA will acknowledge the request to update a notification, it will not be possible to submit a revised notification until after 15th January 2020 at which stage the FCA will advise what steps should be taken.

Fund managers should continue to follow the current process via their home member state regulator for registering new funds.

If you have any questions in relation to the above please contact a member of the Foreign Registrations Team or your usual contact at Dillon Eustace.
